PERSONAL STATEMENT

Incoming second year at the University of California, Los Angeles (UCLA) majoring in Mathematics of Computation. Seeking to deliver AI/ML solutions to real-world problems.

SKILLS, RELEVANT SOFTWARE & INTERESTS

- **Skills/Relevant Software:** C++, Java, HTML, CSS, R, Python, Power BI, Tableau, Excel

EDUCATION

University of California, Los Angeles

Bachelor of Science, Mathematics of Computation

GPA: 3.83/4.00

September 2024 - June 2028

Los Angeles, CA

PROJECTS

Personal - Job Salary Prediction: Hybrid ML & Deep Learning Approach

- Built a machine learning pipeline to predict job salaries from 17,000 postings, integrating NLP (TF-IDF, BOW, fine-tuned BERT), numerical (rent prices), and categorical (experience levels) features using a custom scikit-learn ColumnTransformer with PyTorch + Hugging Face.
- **Libraries & Frameworks:** Scikit-learn, NumPy, PyTorch, Pandas

UCLA NSDC - Visualizing Housing Prices

- Used Matplotlib visualizations and a Linear Regression model to analyze how factors such as number of bedrooms, bathrooms, lot size, and house size impact housing prices in real world dataset.
- **Libraries & Frameworks:** Matplotlib, LinearRegression

UCLA DataLearn - Predicting Match Outcomes with Random Forest & XGBoost

- Used python and classical machine learning models such as random forest regression and XGBoost regression to predict match outcomes in our real-world dating app dataset.
- **Libraries & Frameworks:** RandomForest, XGBoost

WORK EXPERIENCE

Incoming Early Business Analyst Intern

Capital One

Jun. 2026

McLean, VA

Nuclear Operations Training Intern

Pacific Gas and Electric (PG&E)

Jun. 2025 - Sep. 2025

Avila Beach, CA

- Made Power BI dashboard to highlight due dates of SAPNs of Maintenance Training using power query and the SAP SQL database. Dashboard saved ~10 minutes a day for summary of due notifications.
- Automated a long-term schedule for Nuc. Ops. Initial License Training (ILT) using Oracle Primavera P6 with 600+ classroom/simulator events. Saved ~ minutes per week over an 18 month term for ILT weekly schedule making.
- Using Final Cut Pro, filmed and edited ~20 hours of footage and produced 8 videos as study materials for ILT students to learn operating and emergency procedures.

Sales Associate

Vans Pismo Beach

Jun. 2024- Sep. 2024

Pismo Beach, CA

- Delivered customer service to customers while trying to maintain sales goals and customer satisfaction.

League Manager

City of Arroyo Grande

Jun. 2023 - Sep. 2024

Arroyo Grande, CA

- Managed operations for men's league basketball (4 games/night), including facility setup/closure, scoreboard and stat tracking, referee coordination, and season-long record updates, ensuring smooth execution and accurate league reporting
